In the City of Prospect all dogs must be held on a leash not more than 2 metres long in a public place. This means when you walk a dog in the street, on roads, parks , shopping centres, ovals and reserves, it must be on a leash.

Council recognises the importance of giving dogs some time to run or roam free. We have provided several areas throughout the council where dogs are allowed to exercise off the leash. There are 9 parks, reserves and ovals provided. The times and locations are shown on the back for your reference.

Off-Leash areas in the adjacent City of Adelaide Park Lands

Dog owners in the City of Prospect should also be aware that there are a number of areas in the Adelaide Park Lands which are available for use as off-leash areas. There are 3 reserves in the adjacent park Lands bordering Fitzroy Terrace, Robe Terrace and Main North Road which are available to dog owners twenty-four hours a day, seven days a week, except when the playing fields are being used.

More information on the off-leash areas in the City of Adelaide can be obtained from the council's website: www.adelaide.sa.gov.au

Always keep your dog under control

It is important to be in charge of a dog and to understand dogs being exercised freely must be under effective control.

This means you are able to control the dog by command and always keep close to the dog so you are able to see it at all times.

Persons in charge of a dog should also be aware that a dog attack offence occurs if the dog attacks, harasses or chases or otherwise endangers the health of a person or animal owned by or in charge of some other person whether or not actual injury is caused.

Dogs can be exercised off-leash between the times of 5.00 am - 8.00 am and 5.00 pm - 9.00 pm at the following locations:

Broadview Oval - 26 Collingrove Avenue, Broadview

Prospect Gardens/ Narnu Wirra Reserve
