Dear Sir/Madam,

Please find attached plans and/or information for a proposed development at \_\_\_\_\_.  
(address)

In submitting a request for preliminary advice, I acknowledge that:

- The advice provided by Council's delegates in response to my request may be limited to factual information concerning the current zoning of the land and the provisions of the Prospect (City) Development Plan that may be considered pertinent in the assessment of a future development application;
- Any additional or advisory comments provided on the proposal will be for information purposes only, based on the information provided as part of this request, and will not subsequently be considered to constitute a formal or binding assessment of the proposal;
- An assessment of a formal development application, once lodged, may reveal concerns not identified in the preliminary advice provided by Council's delegates; and
- Council and its delegates will not be held liable for any errors or omissions in the advice provided in response to my request, nor will it be held liable for any decisions subsequently made in respect of the advice I receive.
