2026 KERBSIDE COLLECTION CALENDAR

Since 2023, City of Prospect and East Waste have been trialling weekly FOGO collection with great success. It is a more sustainable waste and recycling service that is better aligned to waste streams and landfill diversion.

During the trial, participating households and businesses have seen a switch in their bin collections. From the maps in this flyer select which zone your residence or business is in to find your current collection calendar.

Monday / Friday collections remain on the weekly landfill schedule.

Tuesday / Wednesday / Thursday collections are in the weekly FOGO trial.
