Discover Prospect's two community spaces

With the majority of our programs and events occuring across our two sites (Payinthi and Nailsworth Community Hall), it's easy to find your way around. Within this guide, both Council and community-led programs each have a coloured location marker, indicating where they take place.

For more information on any of our Council's upcoming events and programs, please call our friendly Customer Service team on **8269 5355** to be put through to the right person.

Council services

Community bus

We offer door-to-door community bus services for our residents. These services are coordinated by the Prospect Community Support Team and our dedicated volunteer bus drivers and bus assistants.

Door to door shopping

Every Tuesday and Friday morning, this service takes you to Northpark Shopping Centre for grocery shopping, banking, or socialising for around 90 minutes.

Justice of the Peace

We're pleased to offer **free Justice of the Peace (JP) services** right here at Payinthi (**128 Prospect Road, Prospect**). Our dedicated volunteer JPs are generally available to assist you throughout the week.

To ensure a smooth visit, we've launched a new online roster where you can confirm JP availability before you head in. You can find the link on our website below.

No bookings are necessary for our drop-in service, but to help us assist you efficiently, please remember to:

- Bring appropriate ID so the JP can confirm your identify
- Bring original documents for certification, not copies.

Please note, our drop-in service is designed for quick assistance, limited to 5 minutes per person and a maximum of 10 pages for witnessing.

If you have complex documents that require more time, such as Advance Care Directives, we recommend making an appointment directly with one of the following JPs:

- C Whiteside: 0403 439 148
- A Romaniuk: 0413 491 415.

Language support:
We're proud to offer JP services with language support:
