WELCOME TO PROSPECT FRINGE

I'm thrilled to present our fourth annual Prospect Fringe program featuring a variety of unique shows and events in venues across City of Prospect.

Prospect continues its storied history of producing and supporting arts and artists, culture and events with this fantastic boutique 2024 program.

Bringing entertaining, boundary-pushing, and thought-provoking performances annually, Adelaide Fringe is the largest open-access arts festival in the southern hemisphere.

This year's program in Prospect features a bespoke program of music, comedy, theatre, workshops, arts and children's events, ensuring there is something for everyone to enjoy.

Supporting artists, creatives and local businesses, there will be more than 20 events and shows held at 6 venues across 31 days in February and March. Several of these shows will be held at City of Prospect's state of the art Payinthe building, along with many more at local businesses along Prospect Road and in Prospect Memorial Gardens, with family favourite Twilight Sessions entering its 29th year running!
