## SECTION C – Due Date & Important Information

### Due Date

Application forms are to be received by **3 September 2018** for the current financial year.

A failure to submit application forms or to provide the additional information required by the Council to assess the application within the specified period may result in the Council refusing to consider the application for the current financial year.

### Important Information

It is an offence for a person or body to make a false or misleading statement or representation in an application or to provide false or misleading information or evidence in support of an application made (or purporting to be made) under the Act. The maximum penalty for this offence is \$5,000.00, (Section 159 (2) of the Local Government Act 1999).

The Council may grant a rebate of rates or charges on such conditions as the Council thinks fit.

If a person or body has the benefit of a rebate of rates and the grounds on which the rebate has been granted cease to exist, the person or body must immediately inform the Council of that fact and (whether or not the Council is so informed) the entitlement to a rebate ceases. If a person or body fails to notify the Council that person or body is guilty of an offence and liable to a maximum penalty of \$5,000.00, (Section 159 (7) and (8) of the Local Government Act 1999).

The Council may, for proper cause, determine that an entitlement to a rebate of rates under the Act no longer applies.

Where an entitlement to a rebate of rates ceases or no longer applies during the course of a financial year, the Council is entitled to recover rates, or rates at the increased level (as the case may be), proportionate to the remaining part of the financial year.
